

§ 1421.110 Repayments.

(a) CCC may allow a producer to repay a nonrecourse marketing assistance loan at a rate that is the lesser of:

(1) The loan rate and charges, plus interest determined for a crop; or

(2) The prevailing world market price, as determined by CCC, for rice or the alternative repayment rate for all other commodities, as determined by CCC.

(b)(1) On a form prescribed by CCC, a producer may request to lock in the applicable repayment rate for a period of:

(i) 60 calendar days; or

(ii) not less than 14 calendar days before the maturity date of the loan, but not both.

(2) The request to lock in the applicable repayment rate must be received in the FSA county service center that disbursed the loan.

(3) The repayment rate that is locked in is the rate in effect when the request to lock in is approved.

(4) The repayment rate may be locked in on outstanding farm-stored or warehouse-stored loans.

(5) The repayment rate that is locked in will expire the earlier of:

(i) 60 calendar days from date of approval, or;

(ii) 14 calendar days before loan maturity.

(6) The requests can only be completed one time for a designated quantity.

(7) The requests can be made in person or by facsimile.

(8) The requests cannot be canceled, terminated, or changed after approval.

(9) The locked-in applicable repayment rate will not transfer to any loan disbursed outside of the originating county where the commodity was stored.

(10) Once a repayment rate is locked in it cannot be extended.

(c) If a producer fails to repay a marketing assistance loan within the time prescribed by CCC under the terms and conditions of the request to lock in a market loan repayment rate, the producer may repay the loan:

(1) On or before maturity, at the lesser of:

(i) Principal plus interest as determined by CCC;

(ii) The repayment rate in effect on the day the repayment is received in the FSA county service center.

(2) After maturity at principal plus interest.

(d) When the proceeds of the sale of the commodity are needed to repay all or a part of a farm-stored loan, the producer must request and obtain prior written approval on a CCC approved form and comply with the terms and conditions of such form, to remove a specified quantity of the commodity from storage. Approval does not constitute release of CCC's security interest in the commodity or release of producer liability for amounts due CCC for the marketing assistance loan indebtedness if payment in full is not received by the county office. Failure to repay a marketing assistance loan within the time period prescribed by CCC in the case of a farm-stored loan and delivery of the pledged collateral to a buyer, is a violation of the agreement. In the case of such violation, the producer must repay the loan principal and interest or another amount as determined by the Deputy Administrator, FSA, under § 1421.109.

(e) The producer may obtain county committee approval of a release of all or part of pledged collateral for a warehouse-stored loan at or before the maturity of such loan by paying to CCC:

(1) The principal amount of the marketing assistance loan and charges plus interest, or

(2) An amount less than the principal amount of the marketing assistance loan and charges plus interest under the terms and conditions specified by CCC at the time the producer redeems the collateral for such loan.

(f) A partial release of marketing assistance loan collateral must cover all of the commodity represented by one warehouse receipt. Warehouse receipts redeemed by repayment of the marketing assistance loan shall be released only to the producer. However, such receipt may be released to persons designated in a written authorization that is filed with the county office by the producer within 15 days before the date of repayment.

§ 1421.111

7 CFR Ch. XIV (1-1-04 Edition)

(g) The note and security agreement shall not be released until the marketing assistance loan has been satisfied in full.

(h)(1) If the commodity is moved from storage without obtaining prior approval to move such commodity, such removal shall constitute unauthorized removal or disposition, as applicable under § 1421.109(b), unless the removal occurred on a non-workday and the producer notified the county office on the next workday of such removal.

(2) Any loan quantities involved in a violation of § 1421.109 must be repaid under § 1421.109(e).

§ 1421.111 Commodity certificate exchanges.

(a) For any outstanding marketing assistance loan, a producer may purchase a commodity certificate and exchange that commodity certificate for the marketing assistance loan collateral.

(b) The exchange rate is the lesser of:

(1) The loan rate and charges, plus interest applicable to the loan;

(2) The prevailing world market price, as determined by CCC, for rice or the alternative repayment rate for all other commodities, as determined by CCC.

(c) Commodity certificate exchanges may not be used when locking in a repayment rate under § 1421.110.

(d) Producers must request a commodity certificate exchange in person at the FSA county service center that disbursed the marketing assistance loan by:

(1) Completing a written request as CCC determines.

(2) Purchasing a commodity certificate for the exact amount required to exchange the marketing assistance loan collateral.

(3) Immediately exchanging the purchased commodity certificate for the outstanding loan collateral.

§ 1421.112 Loan settlement.

(a) The value of the settlement of marketing assistance loan shall be made by CCC on the following basis:

(1) For nonrecourse marketing assistance loans, the schedule of premiums

and discounts for the commodity provided that:

(i) If, the value of the collateral at settlement is less than the amount due, the producer shall pay to CCC the amount of such deficiency and charges, plus interest on such deficiency; or

(ii) If, the value of the collateral at settlement is greater than the amount due, such excess shall be retained by CCC and CCC shall have no obligation to pay such amount to any party.

(2) For recourse marketing assistance loans, the proceeds from the sale of the commodity provided that:

(i) If, the value of the collateral at settlement is less than the amount due, the producer shall pay to CCC the amount of such deficiency and charges, plus interest on such deficiency; or

(ii) If, the proceeds received from the sale of the commodity are greater than the sum of the amount due, plus any cost incurred by CCC in conducting the sale of the commodity, the amount of such excess shall be paid to the producer or, if applicable, to a secured creditor of the producer.

(3) If CCC sells the commodity described in paragraphs (a)(1) or (a)(2) of this section in settlement of the marketing assistance loan, the sales proceeds shall be applied to the amount owed CCC by the producer. The producer shall be responsible for any costs incurred by CCC in completing the sale. CCC may deduct such amount from the sales proceeds.

(b) Settlements made by CCC for eligible commodities that are acquired by CCC and that are stored in an approved warehouse shall be made on the basis of the entries in the applicable warehouse receipt, supplemental certificate, and accompanying documents.

(c) Settlements made by CCC for peanuts acquired by CCC and stored in an approved warehouse shall be based on the settlement value at the time of the loan disbursement and the entries in the applicable warehouse receipt, supplemental certificate, and accompanying documents subject to adjustments for changes in quality and other factors.

(1) All eligible commodities that are stored in other than approved warehouses shall be delivered to CCC as CCC instructs. Settlement shall be based on
